

Agent Agreement

I, _____ (name)

of _____ (business)

agree to the following:

Bargain Wheels will supply to you, the Agent;

- **FREE** listing on the Bargain Wheels Car Rental website(s)
- **FREE** direct access to the Website Administration area where you can adjust rates, availability and categories of your fleet(s).
- **FREE** access to all negotiated supplier rates and prices that the Bargain Wheels Network will pursue for it's Agents (such as insurance, tyres etc).
- **FREE** set up & training of the Agent's Website Administration area.
- **PLUS** we will **pay you 5% commission** on any bookings that materialise from your referred customers, for any of our other locations, by way of our Affiliate Program.
- **FREE** A page about your company on the Bargain Wheels website.

***That is NO upfront fee's or ongoing administration charges,
the cost is purely 10% of the business delivered to the Agent***

The Agent is obliged to;

- **Pay** 10% commission on **total** amount of all bookings delivered via the Bargain Wheels website
- Make payment on invoices for commission within **14 days** of issue
- Place a **link** to our website, on their own website, recognising the association with Bargain Wheels Car Rentals.
- **Display** an "Agent for Bargain Wheels Car Rentals" sticker in a prominent position (ie near counter) within their rental location

The finer points;

- Given that the Agent is able to modify both rates and availability then they shall be billed for commission on **all** bookings that are delivered via the Bargain Wheels website. It is suggested that the Agent include a 'cancellation policy' in their terms and conditions to cover the cost of commissions for no-show's.
- Failure by the Agent to fulfil any of the obligations will result in the temporary removal of the Agent from the Bargain Wheels website. Continued failure will result in the Agent being permanently removed.
- This Agreement is on a monthly basis and is subject to termination upon 30days notice by either party. Any bookings for future dates that the Agent has accepted prior to conclusion of this Agreement will still be payable under the terms here within.
